Okay, let's start the staff meeting.

Thank you, Ms. Hyoudou

Coffee for everyone.

Thank you.

Here you go.

SANDA

Her Smile is Scary!

I don't like coffee.

Mr. Yagiuda.

You must drink it.

N-no

Yagicchi, you always drunk canned beer here, right? It's just coffee.

Huh?

2

It's old-fashioned to make a woman make coffee nowa-days, I can't even...

Poison, detergent, bugs... you never know what Hyoudou puts in my coffee!

ヒソ ヒソ whisper whisper

I've been thinking you've been so hard on Ms. Hyoudou ...

ヒソ ヒソ whisper whisper

What...? But didn't Ms. Hyoudou make it herself?

You're meaner than I thought...

.....

(NAGI)

Oh, no, no, no, that's my coffee cup! I'm not going to take your indirect kiss!

Mr. Yagicchi, if you're don't drink it, let me~

This school is completely surrounded.

...Sorry for doubting your coffee

I hate children, but I hate childish adults even more.

...Hm?

Oh God!

GLATTER ガタ"

Looks like child bandits have broken in. Check on the students and make sure they're safe.

...Or did you mean make sure the bandits are safe?

Look at this...

Stop!

Wait, wait, wait!

He's just a kid.

8

.....

Even with Fuyumura's power...

Damn it! Instead of turning into Santa, he's turned back into a 14-year-old... And now Sanda is too weak...

消

Hey, you're not dead, are you?

I don't even know when he got naked.

Don't hit kids. And go find that other guy.

He just looked mature because it was too dark.

"" Sanda ""

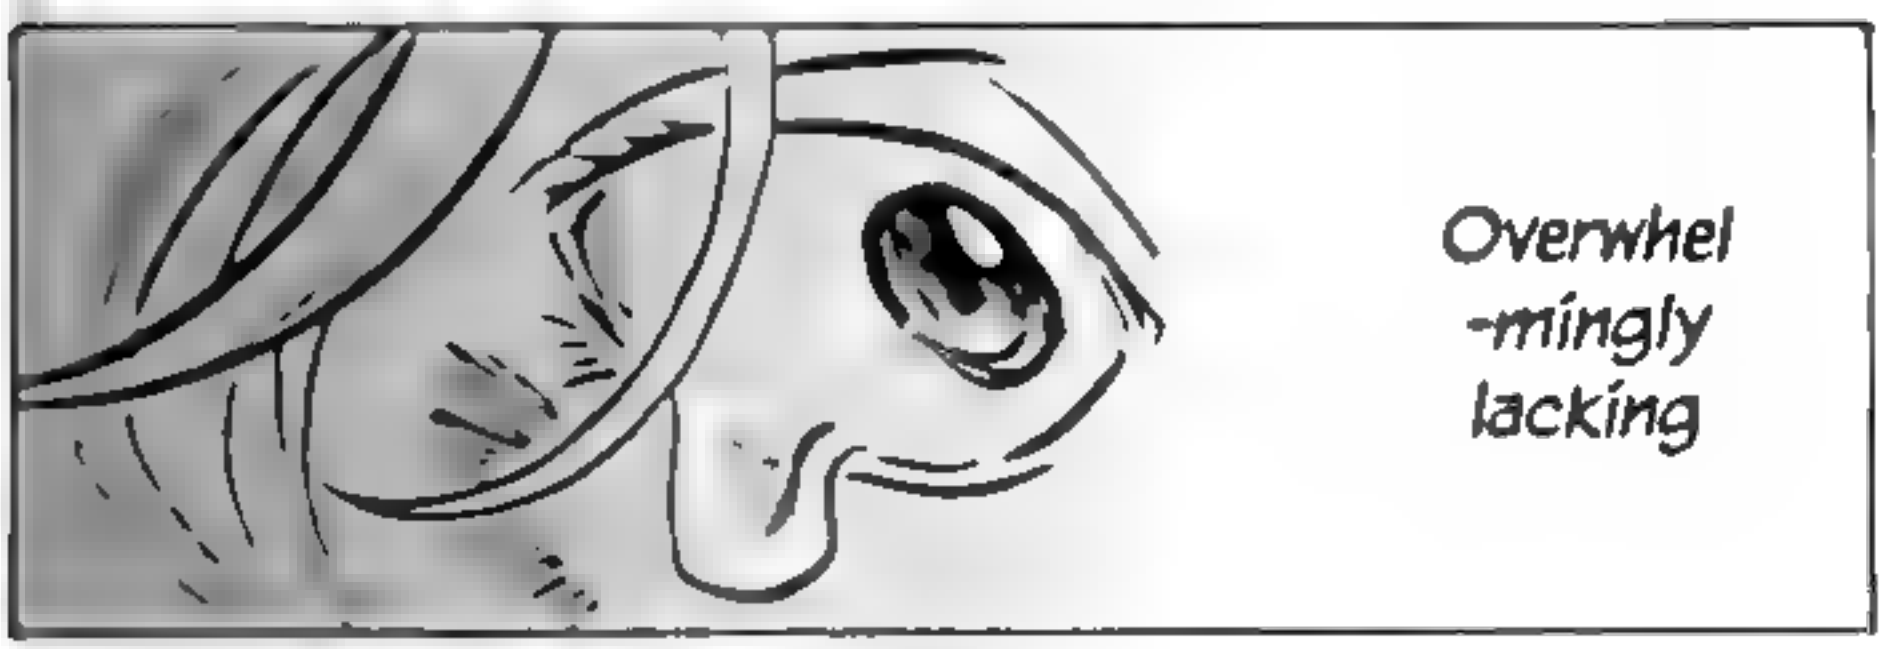
Even the bandits are look -ing out of me...

Ha ha ha...

No wonder...

That's because I'm not match for them now...

Right now,
I lack
everything
I need to be
an adult.



Overwhel
-mingly
lacking

They're child bandits be-cause they have to.

They probably have no money... But they have to support their families.

Even these child bandits are proper adults.

Ha ....

That's why they're so resistant to beating children...

No, no wait a minute.

...Yeah

We can't sell the wounded because it's against humanity, and we can't let our boss find out about this.

Let's just leave him here.

We can make enough if we cut him apart and sell him.

HUH?

Let's do it.

Yeah, his teeh are fine.

So we'll make a little extra money here so we don't get caught.

The boss hates greed.

We'll strip every -thing off, even the parts that look useless, because we can sell them as good luck charms

Now hold still.

If you make any noises, I'll take your tongue first

Oof

What?

This is what you've been waiting for, right? Blades, and plies!

Gyah ha ha ha ha!

Wait, what?

Alright! I'll take a gamble and multiply this money tenfold!

The most valuable thing is the penis.

Teeth are expensive, right?

It's been a while since I've had a good drink.

Hey, don't forget to save some for me

Stop!

NO!

Hey, Hey, hold still!

Wai-

You don't wanna see your body taken

STAGGER

Let's start with the overpriced eyeballs

Let's get this over with.

Let's play rock-paper-scissors to see who gets first/

Line 'em up, line 'em up

DON'T MOVE

Oh... What the...

I went... Overboard on my body, didn't I...?

And relax for a bit...

I don't know... maybe if I relax my shoulders

How did you trans-form back?

This might be the first time...

...

To see the face of a 14-year-old Sanda when he's in his Santa form...

I heard a loud noise, so I came over.

Are you in some kind of trouble?

Boss!

Please excuse me, I'm in charge now.

Are you hurt or something?

The Mastermind is Here!
